2. Application: the singular includes the plural and vice versa and any reference to 'he', 'she' or 'it' applies to all of them.

3. Basis of Contract:

a. These Terms and Conditions apply to the exclusion of any other terms that the Bidder/Buyer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.

b. Each Buyer is required to carefully read the Terms and Conditions before offering a bid. When a Buyer makes a bid he/she acknowledges that he/she has read, understood and accepted these terms.

c. TimeLine does not act for or give advice to Bidders/Buyers.

4. Dimensions, weights and colour: all dimensions and weights (including ring sizes) are approximate and are for general guidance only; a single dimension given is normally the greatest dimension for the

piece(s). Although TimeLine have made every effort to precisely display the colours and condition of a Lot, TimeLine does not guarantee that a device displays them accurately. The Lot may vary slightly from those images.

5. Condition: A condition statement for lots is not given in the catalogue, printed or on-line. This does not infer that any lot is free from faults and prospective bidders must satisfy themselves entirely as to the full condition of each piece before placing bids. Condition Reports may be requested for any lot but are given only for general guidance and are inevitably subjective in character. Requests for Condition Reports should be made as early as possible; requests received at a late time may not be available before the lot is offered.

Bidders are encouraged to carefully examine in person any Lot(s) for which they intend or do Bid for. It is not possible to note all marks or defects and neither TimeLine or the Auctioneer make any guarantee as to the physical quality or condition of any Lot(s).

6. Dating: dates may be given in several forms, as examples below:

527 AD - an item that bears a date upon it or that can otherwise be dated with precision;

6th century AD - an item that can be dated with considerable confidence to a specific period;

Circa 6th century AD - an item that can be approximately dated by comparison with other pieces;

Probably 6th century AD - an item that is likely to be of this period in the light of similar pieces;

Possibly 6th century AD - an item that might be of this period by comparison with items of a broadly similar character; and Undated - no date is known or suggested for the piece.

6th Century AD or later – an item is dated to a specific period but may also be a revival of style of a later date.

7. Attributions: works of art attributions may be given in several forms, as examples below:

Signed – a work bearing the signature of the named artist;

Attributed to – a work of the period of the artist which may be in whole or in part the work of the artist named;

Circle of – a work of the period of the artist and showing his influence;

Follower of – a contemporary or nearly so work executed in the style of the artist;

Manner of – a work executed in the style of the artist but of a later date; and

After – a copy of any date of a work of the artist.

8. Other Descriptive Matters: some other words or phrases are used descriptively, as examples below:

Style - an item made in the style of an earlier age but thought to be probably of later date.

Archaistic - an item made in the style of a much earlier age;

Grand Tour - an item usually of some age but in the style of an earlier age;

After the Antique - an item made as a reproduction, usually of quite modern date; and

Faux - used descriptively when the material used is probably imitative in character.

9. Lots including Archaeological or Cultural Property: a UK export licence from the Department for Digital, Culture, Media and Sport, is required for Lots originating from UK soil or territory leaving the UK and for such Lots of non-UK origin when leaving the EU. TimeLine will make applications for the necessary Cultural Property Export Licence as a 'free of charge' service to Buyers, where the Export Licence is legally required. If a Buyer requests for TimeLine to apply for an Export Licence where this is not legally required, an additional fee of £24 (VAT inclusive) will be invoiced to the Buyer. Buyers are advised to check concerning any Regulations applicable in

their country of residence regarding importation and to enquire prior to bidding. The deferment of any Export Licence shall not be reason to cancel any bid nor to delay payment.

10. Lots including materials from Endangered Species: Buyers are responsible for obtaining a CITES licence when required for the export from the UK of any item(s) made of or containing materials such as ivory, tortoiseshell, rhinoceros horn, whalebone, etc.

11. Import Licences: Buyers are responsible for checking and ensuring compliance with any regulations applicable in their country of residence regarding importation.

12. Copyright: all cataloguing text, images and other material published by TimeLine whether physically or electronically is the property of TimeLine and may not be reproduced, stored in any retrieval system or otherwise transmitted in any form or by any means, electronic, mechanical, photocopying, recording or without the prior written consent of TimeLine.

13. General Conduct of Auction: TimeLine shall have absolute discretion as to lots offered for sale, lots withdrawn and the conduct of any Auction. TimeLine shall have absolute discretion to refuse entry, decline bids and expel any person from the Auction whether present in person or by agent or proxy or attending by way of any electronic media or telecommunications.

14. Viewing: all Lots are available to view. All prospective Bidders are advised to view any Lot(s) prior to bidding and the Bidder must form their own opinion before bidding. Public viewing arrangements will be advised in advance of the Date of Sale and private viewing can be arranged at the TimeLine premises by appointment.

15. Lot Descriptions: all Lots are offered 'as seen' and 'as is' and are available for inspection. The Buyer is obligated to make all and any enquiries he wishes as to the accuracy and authenticity of any sale description (including Condition, Dating and Attributions, as set out in clauses 5-7). The principle of caveat emptor applies except where expressly excluded by operation of law. While materials (such as catalogues) are vetted by an external committee of experts, TimeLine do not make or give any guarantee, warranty or representation or undertake any duty of care in relation to the description, illustrations or photographs of any Lot, including condition, quality, provenance, authenticity, background, style, period, age, origin, value and estimated selling price. TimeLine undertakes no obligation to examine, investigate or carry out any tests either in sufficient depth or at all to establish the accuracy or otherwise of any description or opinions given by TimeLine whether in the catalogue or elsewhere. Lots comprising Groups are sold strictly subject to them not being returnable for any reason whatsoever; the provisions set out under clause 43 are specifically excluded in respect of such Lots. For coins that have been authenticated, graded and encapsulated ('slabbed') by an independent grading company, no guarantee of any kind is offered by TimeLine. Buyers should note that removal or attempted removal from any slab will immediately void any independent guarantee that might have been offered by that grading company.

16. Condition Reports: All Lots are available for inspection. TimeLine will provide a report on the physical condition of any Lot on request. Bidders should note that reports are provided as a free service to interested Bidders. Descriptions therein are not warranties and all Lots are offered 'as seen' and 'as is'.

17. Estimates: estimates are for general guidance only and Lots may sell outside

their indicated range(s). Bidders must make their own assessment as to the value of any Lot and conduct their bidding accordingly.

18. Reserves: Lots may be subject to a Reserve Price set by the Seller, at a level not exceeding the low estimate, below which bids cannot be accepted; TimeLine reserves the right to bid on behalf of a Seller, up to the amount of any Reserve Price.

19. Buyer's Premium: the Buyer's Premium is 30% of the Hammer Price [inclusive of VAT] for all successful Bidders. Use of the TimeLine Auctions online in-house bidding service is free of additional charge. 20. Registration and Bidding: all prospective Bidders must register their personal details with TimeLine before bidding and a Bidder Number will be allocated for their use in relation to a specific sale; prospective Bidders will be asked to provide proof of identity and address. TimeLine reserves its right to refuse any Bidder or any Bid at its discretion. A deposit in accordance with clause 27 may be required before accepting any Bid(s). The Bidder Number must be shown by Bidders to the Auctioneer when placing a bid and by the successful Bidder when the Lot is Knocked Down. The auctioneer shall conduct the Auction at his sole discretion for all matters, accept Bids from any source and may exercise bids on behalf of absent Bidders or on behalf of Sellers up to any Reserve Price. Bidding shall be in pounds sterling only and generally in accordance with the increments set out below:

22. Commission Bidding: while Bidders are advised to attend the Auction and to bid in person, TimeLine will accept written instructions in advance of a live Auction from a Registered Bidder to personally execute bids on behalf of the Bidder up to a stated maximum. Unlimited bids or bids to 'buy' will not be accepted. In the event of identical bids being received from more than one Bidder, the earliest received will have priority. 24. Telephone Bidding: facilities for telephone bidding are available at live Auctions at the discretion of TimeLine for Bidders on Lots with a low estimate in excess of £250 and must be booked and confirmed in advance. It is a condition for acceptance by TimeLine of any telephone bidding request that the Bidder undertakes to execute a minimum Bid at the low estimate sum. TimeLine offers telephone bidding as a free service but no liability is accepted for any errors or in the event that a connection cannot be made or is interrupted before the Lot is Knocked Down.

25. Agents: all Bidders making Bids through any means shall be deemed to be acting as principal in their bidding and shall be directly and fully liable for all Bid amounts, Buyer's Premium and any other charges or costs. If any prospective Bidder wishes to appoint a person to bid on their behalf, then this must be agreed and authorised in writing by TimeLine in advance of the Auction. A deposit may be required in accordance with clause 27.

26. Value Added Tax: VAT is charged on an inclusive basis, under the Auctioneer's Margin Scheme on all Buyer's Premiums and other charges and is not claimable as Input VAT. For some items, such as investment gold, modern jewellery and gemstones, where marked with a 'dagger' (†) symbol, VAT on the Hammer Price will be payable in addition. Where import duties are payable, these lots are marked with symbols ‡ or Ω and are payable by all buyers at the corresponding rates; for overseas buyers, a refund of import duty will be payable or credited, provided that the item(s) have left the UK within 30 days of date of payment.

27. Deposits: TimeLine reserves the right to request a deposit in certain circumstances. The amount of the deposit will be set by TimeLine. If a Bid is not placed the deposit will be paid back within a reasonable timeframe after the close of the auction. In case of a successful bid, the deposit will be reduced from the Purchase Price payable by the Buyer.

28. Payment: the Purchase Price becomes due and payable when the Lot is Knocked Down by the Auctioneer. Requests and Statements detailing the purchase information will be sent out by email or post; Bidders may be telephoned or otherwise contacted when payment is not received promptly or where there are queries in any respect.

a. The full Purchase Price must be paid in Pounds Sterling and can be made by bank transfer (for transfers from outside the UK, subject to payment of an additional £10 overseas bank transaction fee), by cash up to the value of £7,000, by cheque from a UK bank (subject to clearance) or by bank debit card or credit card (up to a maximum of £500). It is the responsibility of the Buyer to ensure that TimeLine receives the correct amount payable.

b. Unless agreed by TimeLine in writing in advance of the Auction, the Buyer must pay the Purchase Price in full in cleared

funds to TimeLine by no later than 4.30pm on the third working day following the Date of Sale. In case of delayed payment, clause 32 applies.

29. Title, Risk and Insurance: Title to any Lot is retained by the Seller until the Purchase Price and all other sums payable by the Buyer have been paid in full in cleared funds to TimeLine; at this point, Title will transfer from the Seller to the Buyer. Risk for the Lot passes to the Buyer at the time the Lot is Knocked Down to the Bidder. TimeLine does not hold property insured after the Lot has been Knocked Down.

30. Collection of Lots and Storage: Once the Buyer has paid the Purchase Price in full, TimeLine will release the Lot to the Buyer for collection. The Buyer will be entitled to receive any credit balance above the amount of the costs on request but will remain liable for any deficit.

 - To refuse to allow the Buyer to register for a future Auction or to reject a bid from the Buyer at a future Auction.
33. Limitation of Liability: The Auctioneer has obtained insurance cover in respect of

its own legal liability for individual claims. The limits and exclusions in this clause reflect the insurance cover the Auctioneer has been able to arrange and the Buyer is responsible for making his own arrangements for the insurance of any excess loss.

In all cases, any item must be returned to TimeLine, strictly in the condition it was in at the date of the sale being held; Buyers are advised that any form of destructive examination or testing undertaken will result in claims being rejected; claims resulting from results of tests under a scientific process not generally accepted for use at the Date of the Sale or which were unreasonably expensive in relation to the estimates for the lot or impractical or likely to have caused damage to the Lot at the Date of the Sale will not be allowed.

TimeLine will have no liability to the Buyer after a period of 14 days as then TimeLine will release monies and make payments to Sellers.

Timeline reserves the absolute right to withdraw any Lot from sale for any reason in which circumstance no Withdrawal Fee will be payable. The Seller is thereafter responsible for collection of any Lot which has been withdrawn and clause 15 applies.

15. Unsold Lots and Storage: in the event that a Lot is not sold no Selling Commission is payable unless the Lot was subject to a Reserve Price in which case a sum of 6% (VAT inclusive) of the Reserve Price is payable by the Seller to Timeline. Timeline shall retain possession of unsold Lots for a period of twenty-eight days from the date of any Auction for entry into any Timed Sale or against the possibility of receiving post-Sale offers for such Lots. The Seller is thereafter responsible for collection of any unsold goods immediately after this period and Lots will be released after any charges due have been paid in full. Lots not removed by 4.30pm on the seventh working day after the due date will be moved to storage at a transfer cost of £20 plus VAT per Lot and storage charges will thereafter be applied at the rate of £1.90 plus VAT per Lot per day until collected; no Lots may be removed until any storage or other amounts due to Timeline have been paid in full. In the event that the accrual of storage charges reaches 50% of the Reserve Price or after the expiration of three months from the transfer date, whichever occurs first, Timeline reserve the right to re-sell any and all Lots stored without notice and in any manner at their sole discretion and to apply any proceeds in defrayment of such costs. The Seller will be entitled to receive any credit balance above the amount of the costs on request but will remain liable for any deficit.

Notice to Buyers

Some lots will require export licences in order to leave the UK, please contact us for advice if required. A condition statement for lots is not given in the catalogue, printed or on-line. This does not infer that any lot is free from faults and prospective bidders must satisfy themselves entirely as to the full condition of each piece before placing bids. Condition Reports may be requested for any lot but are given only for general guidance and are inevitably subjective in character. Requests for Condition Reports should be made as early as possible; requests received at a late time may not be available before the lot is offered. Estimate ranges are provided for general information only and are given in Pounds Sterling (£). For antiquities, approximate equivalents in Euros (EUR) and US Dollars (USD). Hammer prices may fall outside the ranges indicated. All bids and payments must be made in Pounds Sterling (£). Please be aware that items containing restricted animal-derived material such as coral or ivory will need a specialist CITES export license to leave the UK.

Lot estimates serve as a pre-sale guide for potential buyers and bidders and cannot, by their nature, serve as an indication of the final hammer price. The final hammer price is not inclusive of buyer's premium and/or other applicable taxes, which must be added to the final hammer price (see Terms & Conditions for details).

Important Information

Auction lots (or individual item/s within any given lot) of either Persian or Iranian origin are subject to United States trade restrictions which currently prohibit their import into the US, without exception. Buyers should be aware that similar (or other) restrictions may apply to other categories of items offered for sale. It is the sole responsibility of the buyer to satisfy themselves that any lot/s purchased at auction can be legally imported into the desired shipping destination prior to bidding.
